PROFILE AND CORE COMPETENCIES

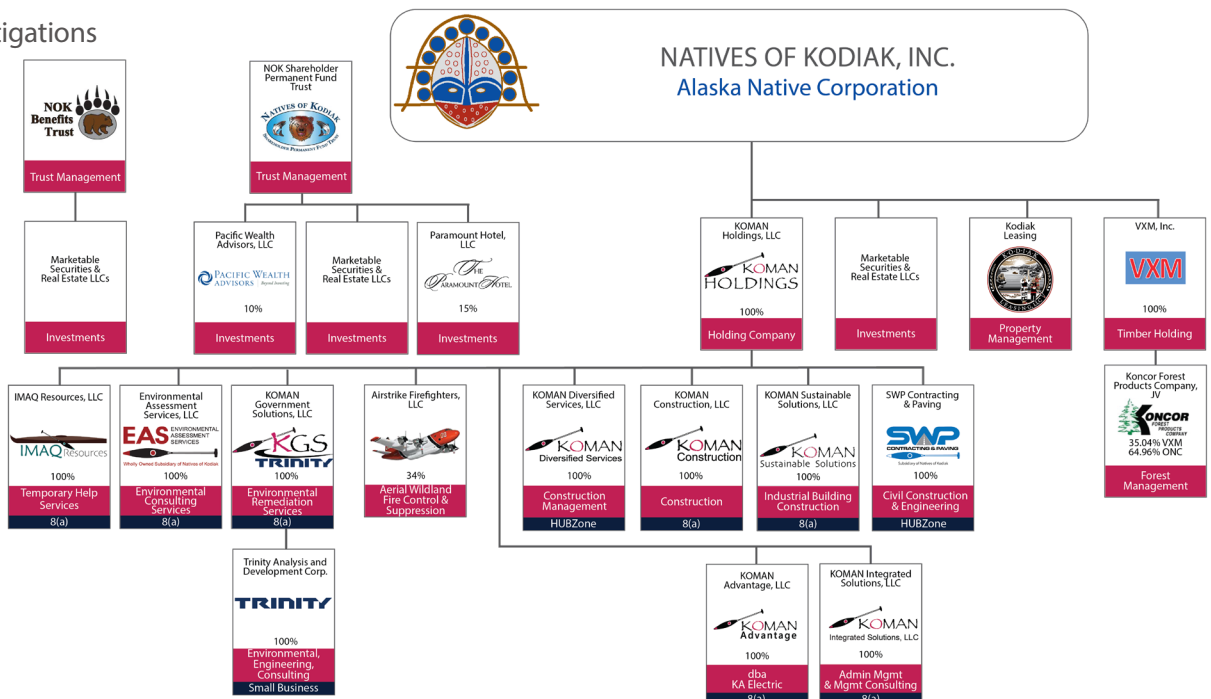

Natives of Kodiak, Inc. (NOK) is an Alaska Native Corporation. NOK is committed to improving the quality of life for our shareholders through economic growth, asset diversification, and land management. NOK has diversified holdings in timber, land development, resource management, and commercial and government contracting. Kodiak Management (KOMAN) and the KOMAN Family of Companies are comprised of subsidiaries that provide support to the federal government through two Sectors: Services (Environmental) and Construction.

Environmental Assessment Services, LLC (EAS) is a wholly owned subsidiary of NOK. EAS is an SBA-certified 8(a) company. Since 2005 EAS has provided clients nationwide with high-quality environmental science, field technology, and other technical services to meet complex environmental laws, policies, and challenges.

EAS provides a team of highly skilled and experienced project managers, scientists, and specialists familiar with a wide range of settings and operations around the country. Whether in extreme environmental conditions, remote locations, or confined spaces we have a full range of services and resources.
